

● OPEN TO SENIOR ROLES & ENTERPRISE CONTRACTS

I'm Omar Abdelfattah, Creative Developer & AI Specialist

I design and build high-performance digital experiences where Figma design systems, modern front-end engineering (Next.js / Astro), and cutting-edge generative AI media pipelines intersect.

WHAT I DESIGN & BUILD (CORE SPECIALIZATIONS)

INTEGRATED DISCIPLINES

Design-to-Code Platforms

Next.js 14/15, Astro, TypeScript, Tailwind CSS, Edge runtime, zero CLS, sub-second TTFB, and bilingual RTL/LTR.

Design Systems & UI/UX

Scalable Figma component libraries, multi-weight typography scales, design tokens, and high-conversion UX.

Generative AI Pipelines

Virtual video production, consistent LoRA character training, Runway Gen-3, ElevenLabs, and automated creative pipelines.

FLAGSHIP PRODUCTION WEB PLATFORMS

LIVE CASE STUDIES

D-Arrow Investment Platform

Lead Architect & Dev

Architected complete platform from scratch: Next.js 14, TypeScript, interactive ROI calculation engine, influencer booking portal, and 120-token Figma design system.

Next.js 14

TypeScript

RTL/LTR

d-arrow.com

Mathwaa Association Ecosystem

Full-Stack Engineer

Engineered high-speed non-profit platform: Astro SSG, 99/100 Lighthouse performance, responsive Arabic typography, and streamlined donor conversion funnel.

Fashion Brand Campaign & UI

PROFESSIONAL WORK EXPERIENCE & LEADERSHIP

CHRONOLOGICAL HISTORY

Principal Creative Technologist & Founder

2022 - Present

Omar Creatives | Cairo, Egypt & Remote

- Architected and delivered 20+ bespoke digital web platforms, design systems, and generative AI media systems for enterprises and startups across Saudi Arabia, UAE, and Egypt.
- Elevated client Lighthouse performance scores from <60 to 95+ and decreased edge page response times by over 65%.

Lead UI/UX Engineer & Digital Designer

2024 - 2026

D-Arrow Marketing & Investment | Full-Stack & Brand Lead

- Engineered company web platform in Next.js 14 & TypeScript, developing customized ROI calculation tools and an influencer management portal.

Senior Visual Designer & Multimedia Producer

2019 - 2022

Agency & Freelance Contracts | Commercial Branding

- Produced 100+ commercial advertising creatives, packaging systems, and digital marketing assets for FMCG and fashion brands (Falez, Seropipe, Souqoom, Romwear).

Let's Build Something Exceptional Together

Available for Senior Creative Developer roles, Lead UI/UX Engineering, and Enterprise Projects.
